Running Orders start with all competitors with a current season ranking (i.e., results of Local 1), from highest ranking to lowest, then by all competitors with only a Provincial Bouldering Ranking from last season, from highest ranking to lowest, and then by all competitors without a relevant ranking in random order. 2018/2019 Provincial Bouldering Rankings are based on results from 2018/2019 Provincial Bouldering Championships. Athletes who did not qualify for or attend Provincials are ranked based on "top 20" rankings used to qualify athletes for Provincials. All rankings are adjusted to remove results of non-residents.
